

**VILLAGE OF FOOTVILLE  
NOTICE TO RESIDENTS  
Tuesday, April 30, 2019  
7 P.M.  
Footville Fire Department  
Public Listening Session**

TO:

Senator Ringhand  
Representative Vruwink  
Department of Health Services  
Department of Corrections  
Rock County Sheriff's Office  
Rock County Board of Supervisors  
Center Town Board  
Plymouth Town Board  
Footville Village Board  
Parkview School District

Good afternoon,

On Tuesday, April 30<sup>th</sup> at 7:00 p.m. there will be a community discussion forum at the Footville Fire Department at 252 North Gilbert Street, Footville, to address the placements of two sexually violent persons by the State of Wisconsin at 11109 West County Road B in Rock County.

We are requesting your participation at this meeting. Citizens have asked for an informational meeting, as there are many concerns and questions about the location of these placements. Many children reside in this area, and the school district has a bus stop pickup point in front of this house. There is also concern that the Sheriff's Office is contracted for around 1100 hours a year in Footville, which is around 3 hours a day to keep an eye on the safety of the community. The community is not only alarmed but also worried about the dangers of having sexually violent persons placed in an extremely close-knit, family centered Village where so many children reside on the same street.

The meeting will be set up as a question and answer forum. Any information that you can provide from your perspective would be appreciated. It is critical for the community to be briefed on what is happening, and what options are available to consider for another site, other than the Footville location. We need to work on this together as a community.

Thank you for your assistance in this matter.

Brian Knudson  
Rock County Supervisor
